**New Idea – Great Club Environmental Project:** Lions Clubs encouraged to “adopt a garden”. Set up your own work schedule to care for one of the specific garden areas

Rose garden	Garden around the Pond
Flag or Light Garden	Gate Garden
Rhododendron Row	

Signs will identify and credit Clubs that take charge of a section of our Memorial Gardens. Contact Ed for a Job List for the Club Independent Work Schedule. Besides weeding, specific needs will be identified in the spring after the scheduled work days begin.

**“Friends of the Garden”** donations are always welcome from individuals or Lions Clubs. The Garden can’t exist without contributions. Encourage your Club to budget annual support (\$1.00 per member would be spectacular!)
